

BASTIDE DONNY

From suspenseful melodies in «Mesrine» and «Arthur and the Invisibles» to action-packed scores such as «District 13» and the «Taxi» series, film score composer Bastide Donny showed he knew how to connect with audiences through powerful sound's creative storytelling. Producer and non-classically trained musician, his scores combine the richness of the vintage world with the restless energy of the new world.

THOMAS VEROVSKI

Pianist trained at the American School of Modern Music and then at the Musicians Institute in Los Angeles, Thomas Verovski made his debut with Manu Dibango.

Songwriter, arranger and composer of numerous soundtracks for television, he enjoys exploring new styles and fusing musical cultures such as classical music, jazz and electronic music.

Dove-i creates compositions using live instrumentations, scoring orchestra, analog synths, drum machines and detailed arrangements along with cutting edge production.

From their studio in Paris they have since worked continuously, composing and producing music for movies, artists, television and commercials.
